Private, Enriched Space to Provide Comfort Care

We understand the difficulties one goes through when caring for a loved one who is near the end of life. Our Palliative Care Program guides and cares for loved ones and their families by focusing on relieving ones symptoms and improving their quality of life during their final days. Our family-centered program is coordinated by an interdisciplinary team of nurses, social workers, nutritionists, therapeutic recreation and our spiritual care team to create a compassionate and loving environment during the most precious moments.
